#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The governing bodies of the affected County Sanitation Districts (Districts) and the respective taxing entities have adopted the attached Joint Resolutions based on the negotiated exchange of property tax revenue related to several proposed annexations to the Districts. The proposed annexations involve residential, vacant, and commercial parcels. The annexations to the Districts will allow the affected territories to obtain off-site sewage disposal services from the Districts.

In order for the Local Agency Formation Commission (LAFCO) for the County of Los Angeles to proceed with the required hearings on the proposed annexations, your Board, on behalf of the County General Fund, Public Library, Consolidated Fire Protection District, Road District No. 5, Flood Control District, and Waterworks District No. 40 must also adopt the attached Joint Resolutions.

#### **FISCAL IMPACT/FINANCING**

There is no base transfer of property taxes associated with these annexations. If the annexations are approved, the adopted resolutions will transfer a portion of the annual property tax increment attributable to the annexation areas from the County and the other affected taxing entities to the affected Districts commencing with Fiscal Year 2010-11 or the fiscal year after the effective date(s) of the annexations, if later.

The territories being annexed are located as follows: Annexation Nos. 14-334, 14-336, 14-339, 14-342, 14-380, 14-381, 14-382, 14-383, 14-394, 14-397, 14-399, and 14-403 are within in the City of Lancaster; 14-365, 14-371, 14-374, 14-400, and 20-85 are within the City of Palmdale; 21-711 and 21-712 are within the City of Claremont; 21-723 is within the City of Walnut; 21-724 is within the City of La Verne; 22-383 and 22-402 is within the City of West Covina; 22-404 is within the City of Glendora; SCV-1033 and SCV-1045 are within the City of Santa Clarita; and SCV-1014 is within the unincorporated Santa Clarita Valley.

The territories being annexed and their impact to the County's share of incremental property taxes for future years are reflected in Attachment A. Each of the affected agencies' shares of the annual property tax increment will be adjusted accordingly. Annexation No. 14-334 is located in the City of Lancaster Central Business District Redevelopment Project Area (RPA), Annexation Nos. 14-336, 14-397, and 14-399 are located in the City of Lancaster Amargosa RPA, Annexation Nos. 14-339, 14-382, and 14-394 are located in the City of Lancaster RPA No. 6, Annexation No. 14-400 is located in the City of Palmdale RPA No. 4, Annexation No. 14-403, and Annexation No. 22-383 is located in the City of West Covina Eastland RPA. As such, County Sanitation Districts Nos. 14 and 22 will not receive the negotiated share of the annual tax increment in the respective annexation territories until such time that the affected RPAs are terminated.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Pursuant to Part 3, Division 3, Title 5 of the California Government Code, commencing with Section 56000, the affected Districts adopted resolutions and filed applications with LAFCO to initiate proceedings for annexation of territory to the Districts.

Section 99 of the Revenue and Taxation Code (R&T Code) requires that prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service area or service responsibilities will be altered by such change, must negotiate a reallocation of property tax revenue between the affected agencies, and approve and accept such reallocation by resolution. The Districts and the other independent taxing entities have adopted negotiated Joint Resolutions for the subject annexations, as required by Section 99 of the R&T Code. Adoption of the Joint Resolutions by your Board will allow LAFCO to schedule the required public hearings on the proposed annexations. LAFCO will subsequently take action to approve, approve with changes, or disapprove the proposals for annexation.

The Joint Resolutions have been approved as to form by County Counsel.

RESULTING FROM ANNEXATION TO COUNTY SANITATION DISTRICT NO. 14.

**“ANNEXATION NO. 336”**

**WHEREAS**, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

**WHEREAS**, the governing bodies of the agencies signatory hereto have made determinations of the amount of property tax revenues from the annual tax increments to be exchanged as a result of the annexation to County Sanitation District No. 14 entitled *Annexation No. 336*;

2. For each fiscal year commencing on and after July 1, 2007, or after the effective date of this jurisdictional change, whichever is later, the County Auditor shall transfer to County Sanitation District No. 14 a total of 0.5035002 percent of the annual tax increment attributable to the land area encompassed within *Annexation No. 336* as shown on the attached Worksheet.

**WHEREAS**, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

1. The negotiated exchange of property tax revenues resulting from the annexation of territory to County Sanitation District No. 14 in the annexation entitled *Annexation No. 380* is approved and accepted.

2. For each fiscal year commencing on and after July 1, 2009, or after the effective date of this jurisdictional change, whichever is later, the County Auditor shall transfer to County Sanitation District No. 14 a total of 0.3537282 percent of the annual tax increment attributable to the land area encompassed within *Annexation No. 380* as shown on the attached Worksheet.

**WHEREAS**, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

APPROVING AND ACCEPTING NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES  
RESULTING FROM ANNEXATION TO COUNTY SANITATION DISTRICT NO. 14.

**“ANNEXATION NO. 383”**

**WHEREAS**, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

**WHEREAS**, the governing bodies of the agencies signatory hereto have made determinations of the amount of property tax revenues from the annual tax increments to be exchanged as a result of the annexation to County Sanitation District No. 14 entitled *Annexation No. 383*;

**NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:**

1. The negotiated exchange of property tax revenues resulting from the annexation of territory to County Sanitation District No. 14 in the annexation entitled *Annexation No. 383* is approved and accepted.
2. For each fiscal year commencing on and after July 1, 2009, or after the effective date of this jurisdictional change, whichever is later, the County Auditor shall transfer to County Sanitation District No. 14 a total of 0.5010912 percent of the annual tax increment attributable to the land area encompassed within *Annexation No. 383* as shown on the attached Worksheets.

3. No additional transfer of property tax revenues shall be made from any other taxing agencies to County Sanitation District No. 14 as a result of annexation entitled *Annexation No. 383*.

4. No transfer of property tax increments from properties within a community redevelopment project, which are legally committed to a Community Redevelopment Agency, shall be made during the period that such tax increment is legally committed for repayment of the redevelopment project costs.

5. If at any time after the effective date of this resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.

RESULTING FROM ANNEXATION TO COUNTY SANITATION DISTRICT NO. 14.

**“ANNEXATION NO. 394”**

**WHEREAS**, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

APPROVING AND ACCEPTING NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES  
RESULTING FROM ANNEXATION TO COUNTY SANITATION DISTRICT NO. 14.

**“ANNEXATION NO. 399”**

**WHEREAS**, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

**WHEREAS**, the governing bodies of the agencies signatory hereto have made determinations of the amount of property tax revenues from the annual tax increments to be exchanged as a result of the annexation to County Sanitation District No. 14 entitled *Annexation No. 399*;

**NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:**

1. The negotiated exchange of property tax revenues resulting from the annexation of territory to County Sanitation District No. 14 in the annexation entitled *Annexation No. 399* is approved and accepted.

2. For each fiscal year commencing on and after July 1, 2009, or after the effective date of this jurisdictional change, whichever is later, the County Auditor shall transfer to County Sanitation District No. 14 a total of 0.5064429 percent of the annual tax increment attributable to the land area encompassed within *Annexation No. 399* as shown on the attached Worksheet.

3. No additional transfer of property tax revenues shall be made from any other taxing agencies to County Sanitation District No. 14 as a result of annexation entitled *Annexation No. 399*.

4. No transfer of property tax increments from properties within a community redevelopment project, which are legally committed to a Community Redevelopment Agency, shall be made during the period that such tax increment is legally committed for repayment of the redevelopment project costs.

5. If at any time after the effective date of this resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.

The foregoing resolution was on the 15th day of DECEMBER, 2009, adopted by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

**WHEREAS**, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and
